Description

In *Public Speaking & Presentation Skills for Doctors*, ExecSense examines specific tips and techniques used by the world's best public speakers and leading doctors that are guaranteed to enhance your impact the next time you give a presentation or speech, lead a discussion with colleagues, or even want to steer a conversation or interaction in a specific way. Take the 60 minutes to view this webinar (on your computer, mobile phone, iPod or printed out) to learn specific ways to be a more effective speaker, presenter and communicator as a doctor. **Presented by renown professional speaker and author, Jeff Davidson, MBA, CMC**

If you cannot call-in to attend the webinar and view the presentation at 1:00 EST Thursday, February 23rd, ExecSense will email you the PowerPoint, audio and supplementary files by the next day for viewing at your convenience (you simply need to register before the webinar occurs).

The webinar is led by an expert at helping doctors become better speakers, Jeff Davidson, and focuses on:

- Everything a doctor needs to know in 60 minutes about enhancing their impact when giving a speech, presentation or even leading a discussion with colleagues
- Surefire tips and tricks used by leading speakers and doctors that you can immediately implement that will turn you into a more effective presenter, public speaker and communicator
- The most common stumbling blocks and frequently asked questions by doctors about improving their speaking and presenting skills
