

Finishing What You Start
Turbo-Charge Your Efficiency with Key Time Management Strategies
A webinar with Jeff Davidson, "the Work-Life Balance Expert®"
Recorded on June 25, 2014

You come into work determined to get a specific project done. But at the end of the day, it's still unfinished. You feel frustrated, defeated and—as more projects pile up—overwhelmed.

Now, imagine a different scenario: You tame the interruptions, distractions and crises and knock out that work from start to finish. And now, you're heading home feeling calm, satisfied and successful.

What made the difference?

[**Register now**](#) for ***Finishing What You Start: Turbo-Charge Your Efficiency with Key Time Management Strategies***. In one strategy-packed hour, Jeff Davidson, "the Work-Life Balance Expert®" shows you the secrets for gaining new control over your workload—and your career.

Turbo-charge efficiency without risking burnout. Even if you're not a "natural" at time management and organization, these techniques give you all-new power to meet deadlines and finish what you start. Best of all, this new process gives you more control to get things done and more breathing room to feel calm and successful.

[**Reserve your space now**](#) to move projects—and your career forward, including how to:

- Use time management techniques in all new ways to turbo-charge progress
- Manage your time, energy and focus to finish what you start
- Meet deadlines *every time* and without last-minute stress
- Be your most-efficient self without burning out
- Inspire others to follow your lead and complete what *they* start, too!

From the moment you begin to apply these strategies, you'll find you get more done at work *and* have more time and energy.

Expert training
