

Managing a Chaotic Workload: Getting All-New Control Over Your Work and Your Life

A webinar with Jeff Davidson, “The Work-Life Balance Expert®”

March 25, 2014
1:30 – 2:30 PM Eastern Time

You may have one job title, but you have a dozen jobs. At any given moment, you’re a project manager, role model, facilitator, cheerleader, team player or communicator. Each job comes with its own flow of assignments, deadlines and deliverables.

No wonder your workload is so crazy! But it doesn’t have to make *you* crazy.

Here’s how to trade chaos for all new control.

[Register now](#) for **Managing a Chaotic Workload** with “The Work-Life Expert®” Jeff Davidson. Combining good humor and good business strategies, this webinar reveals how to quit fighting the chaos and start relaxing into a more fluid – and more productive – management style.

Could it really be so easy to restore balance in your life? Yes it can! Davidson’s simple, practical techniques are proven to control the chaos. Even better, they send you home with enough time and energy to enjoy the rest of your day.

Gain all-new power to:

- Identify and defuse the “frenzy factors” at work
- Stop over-prioritizing (a practice downright hazardous to your performance – and your health!)
- Tell what’s important from what’s not
- Allocate just the right amount of energy, time and resources to get the job done
- Enlist valuable help from surprising sources

Don’t wait: your workload isn’t going to get tamer any time soon. Now is the time to implement work-life balance strategies that let you keep pace—and flourish.

Expert Training
