Speaking • Singing • Laughing.....
From the Heart 

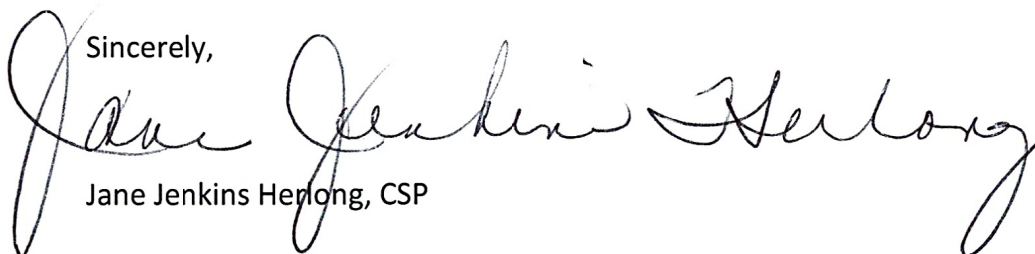

As the president elect of the National Speakers Association Carolina's Chapter, we annually host Speaker University. This event is held over a weekend and only the top speakers are selected to share their expertise. I was given the task of selecting speakers and the obvious choice was Jeff Davidson.

Jeff connected with our attendees immediately and was able to isolate their needs and draw from his many years of experience crafting an exceptional presentation. Our attendees gave top praise to Jeff because his ideas were something they could implement in their businesses.

Jeff not only studies the marketplace, he is able to communicate valuable ideas that are the "keepers." Jeff is able to teach how to use technology in a cost-effective way to help business grow.

We were delighted with the success of our Speaker University and it was largely due to Jeff Davidson.

Sincerely,

Jane Jenkins Herlong, CSP
