Chapel Hill, NC 27514-6819

Dear Mr. Davidson:

Your presentations at the NRECA Secretaries/Assistants Conference in Nashville were great!

I especially enjoyed the "Marketing Yourself and Your Career". I could relate to your presentation, because in the 18 years I have been with the cooperative I have worked my way up from receptionist to Administrative Assistant to the General Manager in just this way.

Your workshop was very beneficial and interesting. Excellent presentations.

Sincerely,
