Dear Mr. Davidson,

On behalf of the Association of Fashion and Image Consultants, I would like to thank you for your excellent presentation at AFIC's quarterly meeting held Thursday, November 20, 1986.

Your presentation inspired and entertained us with your extensive knowledge and experience in Marketing and Selling and its effects on the fashion and image industry. You kept interest at a peak and were very well received.

We appreciate you taking the time to share your expertise with us. Again thank you for your contribution to a very successful meeting.

Sincerely,
