Dear Jeff,

Once again, many thanks for participating in ASHA's 1996 Conference on Leadership in Service Delivery in Chicago. Enclosed please find the balance of your expenses. Please give me a call if there are any problems.

The presentation was well-received, and the feedback we've gotten has been positive. Everyone needs a "shot in the arm" as well as some fresh perspective on life and its many priorities. I think our attendees received some valuable information to take home and use. I especially appreciated the time you took with Michelle Ferketic and I the evening prior to the conference to find out who our members are, and what they were looking for in the conference.

Thanks again, and I look forward to working with you in the future.

Sincerely,

Michele Fetsko  
Director, Conference Services
