Dear Jeff:

Thank you for accepting the invitation to speak at the NRECA Executive Secretaries Conference in Nashville. The planning committee was pleased with your presentations.

It was good to see you again and have an opportunity to reevaluate myself. I'm still working on "Breathing Space" -- I'm a saver -- of course, if I hadn't saved material from the pSi convention in Ohio, I couldn't have recommended you for this conference. Seriously, I'm working on creating breathing space at home and at the office.

Jeff, I would like to receive your free copy of "Nine High-Powered Measures for Controlling Your Time"

Sincerely,

Penny Padgett CPS
Administrative Assistant
