Dear Jeff:

Thank you for your interest in the Alexandria Bar CLE program. I did enjoy the presentation you made, which I chaired. This year the chairman is again Barbara Beach. To my knowledge, there has only been one session of any kind, so I doubt very much that they would want a repeat this soon. I will, however, convey your interest to Barbara.

If you are down this way, I would very much enjoy seeing you, or perhaps having lunch together. I still have the information you sent me about making speeches but have not contacted those people, and I am still interested.

Kindest personal regards.

Sincerely yours,

Charles G. Aschmann, Jr.
