Dear Jeffrey:

I want to thank you for the excellent lecture that was given on 10-9-80, and also for the copy of the transcript of that lecture when you complete its typing.

You mentioned in our telephone conversation that you had completed a study, which is in the process of being typed for the Small Business Administration on opportunities for small businesses within the Department of Defense. This large study you mentioned may be available through FOI request. However, to request said document, I would need to know the title and perhaps the numbers, if government numbers have been assigned to it. If you could provide me with that information, I would appreciate it.

I have enclosed for your convenience a self-addressed stamped envelope.

I am anticipating your expansion of this fine lecture into a two-day period, and when I see that listing from the Open U catalog, I will be attending again.

Thank you in advance for your cooperation regarding the above.

Yours truly,

  
CHARLES BONORA
