Dear Jeff,

Many thanks for your note. My apologies for taking so long to send this letter to you. My responsibilities are increasing, which is exciting, but also a real juggling act.

Your program was most inspiring and fun, too! I enjoyed it immensely. I have been pondering where to go from my present job and you helped me to evaluate my situation.

I am interested in how you started the institute, where the ideas and term came from originally. It would be great to hear from you on this issue.

Best wishes and I look forward to hearing from you on this issue.

Sincerely,

Hope G. Plank
