Dear Mr. Davidson:

I enjoyed your presentation to CMAA on February 6, 2002 on the subject of breathing space and managing multiple priorities.

Being from the Carolinas Chapter of CMAA and its President, I was especially proud to have a Carolinas speaker of your abilities.

As for the critique, I thought your presentation was well done and perfectly paced. The information was interesting and the advice was re-assuring.

I am hoping that we can schedule a workshop with you here in the Carolinas some time in the next couple of years.

Sincerely,

Haissam Baityeh, CCM
