Dear Jeff,

I attended the meeting you conducted last week for the CPA Forum. It was a most enjoyable session.

I have enclosed the leads card with two names for you. I do not know if they have any immediate needs but they are frequently looking for good programs and speakers.

Thanks again for a informative session.

Sincerely,

A handwritten signature in blue ink that reads "James A. King, II". The signature is written in a cursive style with a large, sweeping "J" and "K".
