Dear Jeff;

I was your loud mouth attendee at the Tennessee Association of REALTOR convention in Chattanooga on October 1, 1994. I learned from your presentation and I have already started adopting some of the techniques of reducing stress. I think it would be nice if it was accepted for credit by the Tennessee Real Estate Commission (attendance would be better also).

I hope to catch another presentation in the future, and I look forward receiving your tape. I expect to see your book on the best seller list. Thank you.

Sincerely,

Jim Eastwood
