Jeff:

I enjoyed your presentation at the AENC meeting and would like to talk with you about possibly conducting one or more seminars for our Chamber in 1996.

Please send any tapes you can. The small business/marketing seminars and home-based business seminars sound particularly interesting to me as I begin to think about my plans for '96. I'm responsible for all of the small business seminars conducted for our members, in addition all quality programs and seminars, general interest seminars, etc. etc.

Please contact me sometime next week. This week is going to be pretty crazy. Thank you!

Anne Starnes
Executive Vice President
