Dear Mr. Davidson;

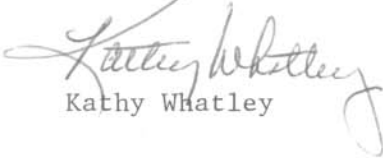

Of the many important ideas, suggestions, and lessons learned at your seminar, the one that is uppermost with me is---**I should have obtained your tape while I was there!!** Please send it soon.

Your session gave me new ideas and validated several that I had started on my own.

Keeping my spaces clear will be my most immediate goal. Without doubt, I am the world's worst "clutterer". Drives me crazy.

Thanks for the session and the tape.

Yours truly,

Kathy Whatley
