Chapel Hill, NC 27514-6819

Dear Mr. Davidson:

After hearing your presentation at the City of Norfolk meeting on 3/20/03, I have been thirsting for more information. I was inspired by your energy you portrayed and the level enthusiasm of your presentation. It was absolutely a relief to know there are solutions for todays extremely fast pace world.

I would be thrilled to receive a cassette live recording on more *Breathing Space*. Please send it to the above address.

Respectfully,

A handwritten signature in blue ink that reads "Paris Colburn". The signature is fluid and cursive, with a large initial "P" and "C".
