Dear Scott:

At our last CBAO Board meeting I discussed with the Board a speaker who I had heard at the IBAA Convention in Orlando, Mr. Jeff Davidson. Several of our bankers from around the state got to hear him and were very impressed. I think he would make a great addition to our Annual CBAO Convention and urge you to see if his pricing is comparable to what we normally pay for a speaking engagement. I do know that the 200 people present the day of his seminar were very impressed and very entertained. I believe he has various other programs that might be a little longer than just the one hour program and maybe you could use him in more than one capacity. If you would like to hear him, I do have his seminar on audio tape and would be willing to bring it along to the next Board meeting for your review.

Should you have any questions concerning this letter, please feel free to call. Thank you very much for your cooperation in this matter.

Very truly yours,

Paul G. Wreede
