Dear Mr. Davidson:

It was a pleasure to hear your presentation at the International Management Council (IMC) National Conference in Indianapolis, Indiana, on Friday, May 29 at the General Session on "Staying Confident and Prosperous in a World of Rapid Change". Not only was this presentation an uplifting and humorous part of our great conference, but on a personal level, an inspiration to have more confidence in myself and maybe take a few risks.

I hope to have the opportunity to hear you again in the future. I also look forward to receiving your cassette recording on *Breathing Space*. Thank you.

Sincerely,
