Dear Mr. Davidson,

Just a note to tell you how much I enjoyed your seminars on "50 ways to leave your clutter" at the Illinois Health Care Convention a few weeks ago. I attend a lot of seminars for my job, and it takes quite a lot to "entertain" me these days--I pride myself in being a well organized individual, but your talk gave me several new areas to look at--I don't know for sure that I will ever want to take myself off of all the mailing lists (I enjoy some of the crazy magazines that show up at my doorstep), but I was at least inspired enough to return home and clean out all of my closets--sending summer things to the dry cleaners, and getting rid of some of the "oldies but goodies"--not only did it clean up my closet, I was able to send several bags of clothing to a local charity, and they were most appreciative.

Thanks for sending the recording on "Breathing Space". I have done some training on organization, and I'm sure I'll enjoy your ideas.

Sincerely,

Joyce Ely
