Dear Jeff,

I enjoyed your presentation very much. The "megatrends" that you mentioned seemed to hit home with me. I went home from the conference and set time limits in my home on television as well as radio. I feel you really opened my eyes.

Thanks so much for the information. My next step is to read *Breathing Space*.

Cordially,

A handwritten signature in black ink, appearing to read "Allen R. Weyand", written over a horizontal line.
