Thank you for the time and advice. I will have reviewed the tapes by next Monday, and will then send you messages. I know I will have lots of questions to clarify where I don't understand or need reinforcement.

I feel it was a very worthwhile session. Your ideas will help crystalize my efforts. It was money well spent.

I like the idea of cassette tapes and built-in additional time to answer questions as a part of the Super Consultation fee. I am trying to decide how to incorporate both aspects into my executive and employee consulting.
