Dear Jeff:

You were the hit of our Sales Meeting in Orlando! Our group thoroughly enjoyed your presentation, and they gave you rave reviews on our meeting evaluation.

Also, I have observed a number of your suggestions being put into use since the meeting. Thanks for a great job.

I have given a copy of your book to our Manager of Human Resources and recommended that he call you the next time he needs a speaker for a presentation to the home office and factory group.

Thanks again. Hope to sit in on another of your presentations here in Greensboro.

Regards,

Paul Lamoureux
Manager, Customer Relations
