Dear Jeff:

I enjoyed your presentation at the Ritz Carlton in Atlanta, Georgia on Thursday, September 30, 1993, reference Breathing Space. Please send me your one-hour tape.

Particularly interesting was your references to "Mind Control". You could expand your presentation in this area and get a lot of people's attention. For example, I have been able to overcome a severe allergy problem through "mind control" as a result of listening to a tape of an O/D Specialist.

Thanks again for the book.

Sincerely,

Lonnie C. Smith
