Dear Jeff,

Just a note following up my letter to the Captain of the Island Princess indicating how very much I enjoyed your special interest lecture series during our recent cruise. I am already taking steps to put into practice some of your very helpful suggestions and my secretary and I are ready to fill the trash bins with outdated and unnecessary paperwork so that we might have some breathing space. Moreover, as I indicated to you verbally on several occasions, you have validated many of the steps I had already taken along the lines you suggest. In any event, I look forward to meeting you again. Please add my name to your newsletter mailing list and I look forward to receiving a copy of your tape.

Whenever you are next in the Palm Desert area of California, please look me up.

Sincerely,

Donald M. Bolas
