Jeff Davidson, MBA, CMC
2417 Honeysuckle Road, Suite 2A
Chapel Hill, NC 27514-6819

Dear Mr. Davidson:

I need some breathing space.

I was invigorated and entranced by your presentation at the Women in Management spring Leadership Conference. You provided excellent information, as well as setting the stage for consideration of the world in which we live and work.

Please send me the tape that you mentioned, if you still have them. Also, I would be interested in buying your book. Do you have ordering information?

Very truly yours,

Alice Barnes
