Mr. Jeff Davidson,

I attended your seminar " Staying Confident and Prosperous in a World of Rapid Change" at the IMC National Conference in Indianapolis. I think you are an extraordinary speaker. I thoroughly enjoyed listening to you.

I also purchased your book Blow Your Own Horn and have just about finished reading it. I'm not much of a reader but I am really enjoying the book.

Please send me the cassette on Breathing Space.

Sincerely,

Lou Ann Zook
