Dear Jeff:

I can't begin to tell you how much I enjoyed your presentation the other day at the ACHE Congress. I attended the second session and am glad I did.

Your comments revitalized my effort to provide a little (lot) more balance in my life. You gave us a very refreshing, sincere collection of ideas that have already started showing some benefit.

How? The first thing I did when I got back to my office on Friday morning was to start throwing out all the detritus collected over the past 2-3 years, with little more than a passing regard for that which was disposed of. Needless to say, it is still a work in progress...

Thanks again for a very refreshing and worthwhile session!

Regards,

John M. Chamberlain, FACHE
