Dear Jeff:

Thank you so very much for speaking to the Missouri Heart Institute's annual Spring Fling last evening! Your presentation was marvelous and so appropriate for most of us. We all need to be reminded to "stop and smell the roses" in our busy lives! Thanks for doing that reminding!

I am glad you enjoyed your stay in Columbia and appreciate your efforts to keep costs down by arriving early and donating your books to us. It was such a pleasure working with you and I truly enjoyed getting to know you. I look forward to your next book and will keep you in mind for future presentations!

Sincerely,

Linda Mackey
