Dear Mr. Davidson:

I would like to take this opportunity to tell you how much I enjoyed your presentations at the NRECA Executive Secretaries conference held in Nashville, Tennessee this past October 17 - 20.

I found your presentations on "Marketing Yourself and Your Career" and "Finding More Breathing Space at Work and Home" both enjoyable and informative. Our company, New Hampshire Electric Cooperative, Inc., has been researching time management and goal setting through video and cassette tapes, which have not proven to be very effective.

I work for several bosses, 7 to be exact. After hearing you speak on the subjects, I was actually "perked" into trying out these methods and techniques to bring some order to this hectic pace I keep. I have already seen some improvement in my daily tasks. My bosses thank you.

Once again, thank you for the little boost that I needed in getting organized. I look forward to continued improvements in my work schedule and home life.

Sincerely,

Deborah A. Bellemare
