Dear Jeff:

Your "much too short", energetic and informative speech for the Women In Management Leadership Conference was the highlight of our day. I have been recounting the 5 Mega-Realities to everyone I encounter. Your book is my nightly reading and I imagine I will want to read it several times to make certain I incorporate the FRESH AIR ideas into my lifestyle. We are all fortunate you are committed to your mission of spreading your words of wisdom. Please keep me informed of future workshops .

Sincerely,

*Kay*
