EXCELLENT PRESENTATIONS

Jeff, your presentations at the 1984 FBLA-PBL Management Series Conference were indeed excellent. The national and state officers and their advisers shared many positive comments with me regarding your sessions. The officers now have a much clearer understanding regarding planning, goal setting and time management, which will greatly assist them during their term of office.

I enjoyed working with you and having the opportunity to get to know you better. Please send me a statement for your services and I will facilitate payment. Again, thank you for your good work. Best regards.

DOUGLAS L. BARBER
Executive Vice President
