

July 7, 1996

Mr. Davidson,

I thought your presentation provided very useful information for many participants at the ASHA Leadership and Service Delivery Conference. I was able to compare many of your ideas with those from the Covey seminar I attended last year. I would also like to commend you for being such a dynamic presenter. You kept everyone on their toes. I look forward to reading your book for a more in depth instruction into breathing space.

Sincerely,

Angela Rizzo
