Dear Jeffrey,

On behalf of myself and the entire STC organization, we wish to thank you for the fine presentation you did for us at our annual convention in Washington DC.

I can honestly say that for you being the last speaker on the last morning of the 4 day conference, the room was filled. That says in itself that the audience wanted to stay and hear your message.

I am still getting compliments on your presentation, "How to Live at a Comfortable Pace in a Sped Up Society". Keep us informed of your upcoming books and tapes. I'm sure we would like to have you back with us again soon.

Thanks again, Jeffrey, for an outstanding presentation!

Sincerely,

SOCIETY OF TELECOMMUNICATIONS CONSULTANTS
