Dear Mr. Davidson:

I really enjoyed your seminar at the Association of Consulting Foresters Annual Meeting in Big Sky, Montana. Your seminar was very motivational and I plan to use the information we received for my consulting business.

Thank you for returning my phone call yesterday. We have already started to work with the suggestions you made for our client report. I will let you know the results of the meeting.

I look forward to receiving the tape that you offered at the convention. With best regards,
I remain

Respectfully,

Mary S. Clapp
