Thank you, Jeff,

for the outstanding presentation you gave last night at the Cape Fear Sales and Marketing meeting. You brought out some salient points concerning where we, as a civilization, are heading. I was seated at the "Amen" table to your right, as you gave your delivery.

The "gospel" you are spreading is a story that needs to be told, and you do a fine job of telling it, Jeff. I would appreciate receiving a cassette on "Breathing Space", so that I might share it with others and become one of your disciples.

Again, thanks for being our program last night.

Sincerely,

Joseph F. Augustine
