Dear Jeff,

As is usually the case with the speakers presented by the Treasury Institute, I found yesterday's workshop enjoyable and a useful reminder of our power over our lives. I particularly appreciated the reinforcement of the idea of self-talk about being "complete" or, as I say "letting go," of things that are over.

Again, I enjoyed the class and wish you continued success...just remember wherever you go...there you are (author unknown):...

Sincerely,
