Dear Jeff,

Thanks for the great lecture. I am enclosing your copy of the videotape Rodney made of your morning session here at UOP. I think it turned out quite well. It is difficult to hear the audience responses, but you generally repeated what was said so it remains coherent. I hope this meets your expectations. I am sorry we did not videotape the afternoon session, since you were able to tailor your presentation so well to meet our specific needs here at UOP.

I have received feedback from about half the participants and only one was negative (he said he did not learn anything new, so I guess his life is in order!). I have started to clean out my file cabinets (as a prelude to operation clean sweep - I need a place to put it all). Thanks for the inspiration.

I am assuming you have submitted your expense form for reimbursement. Let me know if you do not receive your check within four weeks. I may be reached at (708)391-3444.

Sincerely,
