Dear Jeff,

Everyone here is raving about your presentation last month. In little time, you gave all of us a lot to think about. But as you point out, it's information that we can apply in very personal ways. You didn't bog us down with checklists, rules, and absolutes.

I would heartily recommend you as a speaker for any group or organization. Whether they're looking for increased productivity, efficiency, or peace of mind, they'll find it in your talk.

Thanks again for using some of your "breathing space" -- to help us find some for ourselves.

Sincerely,

A handwritten signature in blue ink that reads 'Doug'.
