Dear Jeff:

Thanks again for your presentation on Re-Assessing Workplace Stress on our Project: Workplace series.

You projected an image that was at once both professional and "user-friendly" for our audience.

I hope you get the opportunity to do more television work; you are very amiable on air (as off air!)

I believe our audience got exactly what they were looking for and a little bit more - the hallmark of a true professional!

Thanks again, Jeff - I look forward to the opportunity of working with you again!!

Sincerely,
