Dear Jeff:

This is in response to your presentation on Thursday, November 4th at the Grief Conference in Portland, Oregon.

You were the best! I really enjoyed your speaking about importance of coming to completion - in this fast paced, informational age. It helped me understand some of the frustrations I was experiencing!

You were also very entertaining ☺; a fun session!

Thank you so much for coming to Portland to share with us.

Sincerely,

Joanne Petrie, Chaplain  
Willamette Falls Hospice
