Dear Jeff:

I wanted to thank you for providing me with an excellent opportunity to learn some effective ways to influence my career advancement.

At the HCAT seminar on Thursday, your presentation was refreshing and uplifting, and gave me renewed enthusiasm to strive for more.

I look forward to implementing my chosen key components, and eventually all of them. By the way, exactly how much did that new wardrobe cost? Hope to see you again in the near future.

Sincerely,

Robert Leek
