Dear Jeff:

Thank you for presenting an excellent seminar on Friday, September 28, 1989 to the Women in Government Relations (WGR). The feedback was uniformly positive, with many attendees expressing the desire for another presentation along the same theme. The course evaluation sheets are attached.

As you know, Shirley Hales, President of WGR, would like to include one of your articles in the next WGR newsletter; you can send it to either of us.

Again, on behalf of WGR, we are very appreciative of your fine program.

Sincerely,

Patricia Aiken-O'Neill
