SUBJECT: An Important Note

Dear Jeff,

It's time for me to acknowledge you, by thanking you, for many things you've done over the years. You have given me much to be thankful for.

Thanks for including me on your mentor list! I'm glad I helped you get started, but I must acknowledge the way you have used the technology to greatly enhance your business.

Thanks for a tremendous number of favorable referrals. You've helped my business grow immeasurably.

Thanks for introducing me to Dick Connor. He's been a true blessing to my life.

Thanks for pushing me to take Technologies for Creating. My creativity has greatly improved.

Thanks for the informative, interesting faxes that help keep me updated on the progress of technology. I read them all.

Thanks for tutoring me and pushing me in developing my writing. You've been a major help. Your writing also has changed the way I read. Since I now have a picture of what I call "The Davidson Standard" I often get annoyed at the terrible, sloppy writing that is so common today.

Thanks for writing *Breathing Space*. It helped me see that my business is not the most important aspect of my life. Without that change in my perspective, I probably never would have married Lisa and taken on the responsibility of helping to raise Jamie. I now enjoy the "spaces" in my life more than ever.
