**"Breathing Space: Living & Working at a
Comfortable Pace in a Sped-Up Society"**

What's the use of earning a nice salary or living to age 85 if each day races by so fast and your "to do" list grows so large that you can't enjoy your life? Fortunately, it is possible to take back control of your life.

Jeff Davidson

Jeff Davidson, award-winning mega-author, has new perspectives and proven principles for feeling better about each day. He paints a concise socio-cultural portrait of how the world of the 90's affects our use of time and explains how, against all impediments, to find breathing space.

Jeff Davidson is a prolific writer, a dynamic speaker and a successful Certified Management Consultant (there are less than 2,800 worldwide). He has written 18 hardcover books which book clubs have selected 12 times. His best-sellers include, *"Blow Your Own Horn: How to Get Ahead and Get Noticed,"* *"Marketing Your Consulting and Professional Services,"* and *"Marketing on a Shoestring."*

During this special event, CBAI's recognition spotlight will be focused on member bankers and other individuals for outstanding efforts in these categories:

- Community BancPac contributions;
- ▶ Association service;
- ▶ service development; and
- ▶ membership recruitment.

The grand prize drawing, a perennial show-stopper, will take place at the conclusion of the CBAI Recognition Program. Members must be present to win, so be sure to attend!
