## Jeff Davidson *Enlightens* ♦ *Entertains* ♦ *Inspires*

Jeff Davidson is *The Work-Life Balance Expert*® for our time-pressed generation. Hailed as a "dynamo" by *The Washington Post*, Jeff is a leading resource on helping people to better work and live at a comfortable pace despite unrelenting change.

Jeff can move an audience with aplomb. He combines outstanding content with humor, flair, and inspiration to help listeners manage information overload and to achieve work/life balance. With his dynamic keynotes and breakout presentations, Jeff supercharges his audiences to take action.

Jeff is featured or quoted often in the *Washington Post*, *Christian Science Monitor*, *New York Times*, *Los Angeles Times*, *USA Today*, and on 175 talk shows. Some 2.23 million people have found Jeff's award-winning books, audio-books,

as well as his presentations, and executive seminars to be enlightening, entertaining, and transformational. Jeff's books have been selected by book clubs *41 times*.

His ground-breaking book, *Breathing Space*, reveals how to avoid racing the clock and to stay balanced while gaining more control over each day.

Jeff's book *The Joy of Simple Living*, with a foreword by Mark Victor Hansen of *Chicken Soup for the Soul*, is the definitive work on simpler living, offering 1,800 tips for every aspect of life!

Jeff Davidson, MBA, CMC, has delivered 836 presentations to corporations and associations, both large and small, on three continents. *Vital Speeches* published nine of his speeches alongside those by the Dalai Lama, Jimmy Carter, George Bush, and Lee Iacocca. Jeff has appeared on magazine covers along with Wayne Dyer, Tony Robbins, and other luminaries. His tailored approach and entertaining style consistently earn him rave reviews and return engagements.

### Work-life Balance Topics:

#### Managing the Pace with Grace®

Jeff's most compelling topic. It offers breakthrough perspectives on space, time, and stress management techniques that anyone can master. A solid opening, luncheon, or closing keynote speech. Audiences have called this presentation "life-changing."

#### Managing Information and Communication Overload®

Too much paper, too much reading, too many web sites -- do these diminish your effectiveness? Jeff reveals the nuts and bolts of using information for maximum gain and offers essential "how-to" tools for continual improvements.

#### Getting Things Done

Jeff presents innovative ways to manage priorities including using "hand tools, power tools, and cerebral tools"; implementing multiple-priority grids; using multiple stations; and conditioning your environment for high productivity and notable results.

#### Prospering in a World of Rapid Change™

It's understandable to be confused these days! In this lively presentation, Jeff presents high probability scenarios for the near future and outlines specific steps you can take to achieve, maintain, and enhance a leadership position.
