Dear Jeff,

Thank you so much for sending the handout and mp3 recording of your Leverage Lab session. When I heard everyone raving about your session (and chanting "record everything") I was dismayed I hadn't attended in person. However the recording does provide everything you covered in the session.

I really appreciate the guidelines on quick article writing, and especially the tips on where to go to get articles published. While I have a few sources who publish my articles, I want more! Thanks for the direction on this goal.

I also appreciate the goal sheet you included in the handout. Its so easy after a weekend of information to be immobilized. This will keep me moving forward and implementing.

See you in San Diego, and thanks again for providing so much information.

Regards,

Donna
