Mr. Jeff Davidson, MBA, CMC
Breathing Space Institute
2417 Honeysuckle Road, # 2A
Chapel Hill, NC 27514-6819

Dear Jeff:

I thoroughly enjoyed your presentation at the A.C.F. annual meeting in Big Sky, Montana. In fact, it was the most interesting talk at the meeting. You certainly kept everyone's attention. I honestly don't now how you could make your presentation any more informative (sustain your high level of energy).

Very truly yours,

Gary A. Younkin, A.C.F.
Consulting Forester
