Dear Jeff:

Your presentation "Breathing Space: Living and Working at a Comfortable Pace in a Sped Up Society" was very well received by attendees at our annual convention in Asheville, North Carolina. The average rating of your presentation skills and knowledge of the subject matter was 4.88 on a 5.0 scale.

Jeff, your presentation was an excellent way to end our convention. As we discussed, I am enclosing a synopsis of participant comments regarding your session at convention. Thank you for your excellent presentation.

Sincerely,

Monica Woods
