Dear Jeff:

I thoroughly enjoyed your presentation at the recent ICPA Convention held at the Grove Park Inn last month. I liked the concept of many smaller completion tasks. I use the Franklin Day Planner which helps but by creating smaller tasks, I get a greater sense of accomplishment.

I also like the idea of cleaning up one's workplace. Each week I have spent a part of a day throwing out the unwanted trash that I have accumulated in various sections of my office. It definitely helps. Hopefully, I will be able to do this at home also.

Thanks again, for a wonderful seminar. As a board member I have seen the excellent comments that the rest of our group has given you.

Sincerely,
